

Apple blossom on Boxford Farm, Suffolk

Now that Spring has sprung it's time to enjoy Copella's gorgeous golden sweetness. It's a little different at this time of year. As the seasons pass, so the taste changes. Our late season apples give it a lovely golden colour and make it sweeter than in the autumn, when it is crisper and paler. A characteristic that distinguishes our juice - every bottle is as fresh as the next!

Spring is a great time to be on Boxford Farm. Even hobbling around on a broken leg (don't ask!) hasn't stopped me from admiring the rich blossom - looks like we'll be blending from another bumper crop this autumn!

Until then, why not savour the sweet taste of the changing seasons with your coupon?

Best wishes,

Dave and everyone at Boxford Farm
